**ESTONIAN
OFFROAD**
RACING SERIES CHAMPIONSHIPS

Kotre Muda 2024
Competition guide
23.–25. August 2024, Kotre
EAL reg. nr: 94/OR

3.2. „Kotre Muda 2024” is Rahva Offroadi series III stage competition classes SUV, SUV+, standard 4x4 truck and offroad truck.

3.3. „Kotre Muda 2024” is 2024 Offroad Racing Estonian championship III stage for competition classes ET1 ja ET2.

3.4. „Kotre Muda 2024” is 2024 EAL Eesti 4x4 Off-Road circuit cup III stage for competition classes ATV, ATV free, TR-1 ja TRUCK.

3.5. „Kotre Muda 2024” is 2024 EAL Eesti 4x4 Off-Road super cup competition VI stage for competition classes ATV, ATV free , TR-1, TRUCK.

4. Event location and course

4.1. The competition is taking place in Valgamaa, Otepää vald, Raudsepa küla, Kotre – <https://goo.gl/maps/nSXJrMizVGhkeHry5>

4.2. The track is marked with tapes.

4.3. A separate part of the has been prepared for time trials.

4.4. The total length of the main course is 2-3 km. On the course the participants have to pass several different obstacles (water obstacles, swamp sections, muddy ditches and climbs).

5. Condition of participation

5.1. Documents required from the team

5.1.1. The driver of the competition machine must have a driver's license.

5.1.2. All competitors must have a valid driver's license issued by EAL or a 4x4 license from the motor sports association of the country of residence.

NB! Since 2022, the national sports license of the Estonian Autosport Union has been introduced (requires the submission of a health declaration), so we ask all competitors to submit driver's license applications online early. Driver's licenses are also issued on site, but this requires more time than in previous years. Since the health declaration must be signed digitally, an ID card or mobile ID with valid certificates must be provided. Applying for an EAL driver's license: <https://offroad.ee/soitjalitsents/>

5.1.3. A valid traffic insurance policy and technical inspection are not mandatory (except TR-1).

5.1.4. Documentation required in the technical rules based on competition classes (car registration certificate, EAL competition car technical card)

Competition guide
23.–25. August 2024, Kotre
EAL reg. nr: 94/OR

5.1.5. A copy of the payment order proving the payment of the participation fee.

5.2. All teams must pass a mandate, where the team's data and conditions for registration are checked.

5.3. Each race car must bear a race number, by which it is possible to identify the vehicle on the track. See the link for more details <https://offroad.ee/voistlusnumbrid/>

5.4. All competitors must adhere to the EAL-I competition rules, this competition manual, behave respectfully with fellow competitors and officials involved in the organization of the competition.

6. Liability and insurance

6.1 All team members racing on the track, on the competition route at their own risk.

6.2 Competition organizers and EAL are not responsible for material and moral damages caused by the team to themselves or third parties.

6.3 Damage caused to third parties and/or fellow competitors during the competition shall be compensated by the team that caused the damage.

6.4 The team leader must sign that the team adheres to all competition rules and does not harm nature, as well as that they have read and understood the provisions of the competition instructions.

6.5 Leader I (competitor who signed for compliance with the restrictions and requirements listed in this clause) is responsible for violations of the rules and non-requirements caused by the behavior of the team members during the competition.

6.6 EAL has taken out liability insurance in view of the organization of competitions. This is voluntary liability insurance and event organizer's liability insurance for motorsport competitions registered in the Estonian Motorsport Association. Sum insured 500,000 euros per case. The deductible is 1,000 euros per insured event.

7. Competition procedure

7.1. The competitions are based on the rules of EAL Estonia 4x4 Off road circuit driving.

7.2. For competition classes TR-1, ET1, ET2 and TRUCK, the competition will be held in two parts - part I time trials and part II endurance race on the off-road circuit according to the schedule. For the competition classes ATV, ATV free, SUV, SUV+, standard 4x4 truck and offroad truck, the competition is held as a one-part race - endurance race on the offroad circuit according to the schedule.

7.3. Teams that have passed personnel and technical inspection are allowed to start.

7.4. Starting order

**ESTONIAN
OFFROAD**
RACING SERIES CHAMPIONSHIPS

Kotre Muda 2024
Competition guide
23.–25. August 2024, Kotre
EAL reg. nr: 94/OR

7.4.1. The starting order of the competition classes TR-1, ET1, ET2 and truck is determined based on the results of the time trials. Competition cars that have not passed the time trial are allowed to start 5 minutes after the main start of the given competition class.

7.4.2. The starting order of the competition classes ATV, ATV free SUV, SUV+, standard 4x4 truck and offroad truck is determined by lottery.

7.5. The finish is open 30 minutes after the timed end of the race.

7.6. Race cars park in the race car area (Parc Fermé). The competition vehicle must return to the competition machinery area within 15 minutes after the end of the competition. **Racing machines may not be parked in the tent or in the car park.**

7.7. Broken equipment will be removed from the track by the organizer at the latest by the end of the competition day.

8. Registration of competitors/teams and participation fees

8.1. Registration

8.1.1. Pre-registration is done online (<https://offroad.ee/registreerimine-voistlustele/>) in the period from 29.07.2024 to 19.08.2024. The team from which a correctly completed registration form has been received and the participation fee has been paid in accordance with the conditions of registration is considered registered.

8.1.2. It is also possible to register for the competition on the spot with a mandate. The participation fee can be paid in cash or by card on the spot.

8.1.3. If the team wants to compete at the same time in different series (Rahva Offroad and EAL Estonian 4x4 Offroad circuit cup competitions) in several competition classes (e.g. SUV and TR1; offroad truck and TRUCK), the registration form for both competition classes must be filled out separately and the participation fee must be paid for participation in each competition class.

8.2. Participation fees

8.2.1. When pre-registering for the competition and paying the participation fee until 19.08.2024 at 23.59, the following participation fees apply:

Competition classes ET1, ET2 – **100 €**

Copmetition classes ATV, ATV VABA, TR-1, TRUCK – **80 €**

Copmetition classes SUV, SUV+, standard 4x4 truck, offroad truck – **50 €**

8.2.2. When registering for the competition and paying the participation fee on the spot in the mandate, the participation fee for each competition class is 1.5 times more expensive.

RACING SERIES CHAMPIONSHIPS

Kotre Muda 2024
Competition guide
23.–25. August 2024, Kotre
EAL reg. nr: 94/OR

8.3. The participation fee can be paid in advance until 19.08.2024 to the account of Offroad Laager MTÜ Swedpank EE822200221086336917, indicating the **competition class, team number and team name** (driver's name for ATVs) in the explanation of payment. NB! When making a payment, make sure that it arrives on time and to the correct addressee, be sure to keep a copy of the payment order.

8.4. The participation fee will not be refunded to teams that do not show up for the start.

9. Ranking and awarding

9.1. Ranking is determined by who completes the most laps on the offroad circuit within a given time. In case of the same number of laps, the ranking is determined by the time of the finish.

9.2. In each class, the first, second and third place competitor/team will be awarded with trophies.

9.3. The awarding of the competition takes place 1 hour after the end of the day's races.

10. Rules outside the race course and in the competitors' camping area

10.1. When moving from the technical area to the starting line and back from the competition track, you move at a maximum pedestrian speed. In case of significant speeding, the organizer has the right to impose a fine of €50 on the competitor/team or, in case of repeated violations, not to allow the competitor/team to start.

10.2. The washing place for racing machines is open from the start of the race until 2 hours after the end of the races

10.3. The event area has catering, toilets, hand washing, shower and medical assistance.

10.4. Night silence in the camping area starts at 00:00 and lasts until 07:00.

10.5. Flying drones in the territory is allowed only with the permission of the organizer!

10.6. The use of pyrotechnics is prohibited!

11. Ticket information

- Adult one- day ticket 15 €
- Adult two- day ticket 20 €
- 10–18-year old one- day ticket 10 €
- 10–18-year old two-day ticket 15 €
- Children up to 9-years old FREE PASS
- Parking for a car 2 €
- Electricity 5 €
